

WHAT WE HEARD FROM YOU.

From the feedback, a clear message came through - Canungra is ready to grow, but it must do so with care and in a way that respects its roots.

Town Character & Scale 🏡

Keeping the small-town heart that locals love.

Traffic, Roads & Access 🚗

Making it easier and safer to get around.

Water & Sewage Capacity 💧

Ensuring services can support the town's future.

Housing Type & Density 🏠

Providing choice while maintaining space and lifestyle.

Environment & Wildlife 🌿

Protecting the green heart that defines Canungra.

SHAPING TOMORROW. TOGETHER.

We're now reviewing all community input to refine the next stage of the plan with our consultants and experts.

In the coming months, we'll share updated concept plans and visuals that show how these ideas are taking shape.

This vision is being shaped by the people who call Canungra home, a community that's proud, connected and full of opportunity.

Stay up to date at www.canungra360.com and follow along on social media for upcoming announcements.

THE FUTURE OF CANUNGRA *North*

**MORE FOR FAMILIES.
MORE FOR LOCALS.
MORE FOR YOU.**

Community Update #2

November 2025

YOUR VOICE. OUR VISION.

Thank you to everyone who shared feedback on the Canungra North vision.

Over 1,300 flyers were delivered across Canungra and surrounding areas, inviting residents to have their say.

Your feedback is helping shape a plan that reflects what matters most to locals, protecting Canungra's character while creating a brighter future for everyone who calls it home.

Our goal remains simple, to shape a Canungra that feels more connected, more convenient and more alive.

A town that honours its roots while creating new opportunities for families, businesses and the next generation.

MORE FOR FAMILIES. MORE FOR LOCALS.

Imagine a Canungra that keeps its country charm but feels more connected, more convenient and more alive.

EVERYDAY LIFE & LOCAL CONVENIENCE

A town where everything you need is just around the corner.

- **Local Jobs & Workspaces** - more opportunities to work where you live, supporting local business.
- **Better Schools, Safer Drop-Offs** – a stronger focus on family life and education.
- **A Homemaker Centre in Town** – everyday shopping and services right here in Canungra.

LIFESTYLE, LEISURE & COMMUNITY

Spaces designed for connection, fun and community pride.

- **Sports Fields for Local Kids** – Saturday games, community sport and open green space for all.
- **Big Acts, Close to Home** – concerts, festivals and family events that bring the area to life.
- **A Wellness Precinct** – a place for health, fitness & wellbeing, for every age and stage.

FUTURE, INNOVATION & SUSTAINABILITY

Forward-thinking ideas for a stronger local economy and a cleaner future.

- **A Technology Hub for the Future** – creating new opportunities for local careers and innovation.
- **Indigenous Museum & Learning Space** – celebrating Country & culture through education and storytelling.
- **Eco & Nature-Based Tourism** – welcoming visitors who value the environment as much as locals do.

PRIDE, HERITAGE & CELEBRATION

Showcasing everything that makes Canungra unique.

- **World-Class Equestrian Events** – bringing international attention, and visitors, to our doorstep.
- **Celebrating Canungra's Story** – protecting history and heritage while embracing what's next.

Together, these ideas paint a picture of a Canungra that thrives, still the town you love, but with more opportunity, more convenience, and more reasons to stay local.
